WELCOME TO BRIGHTON FRINGE

Welcome to Brighton Fringe.

There are over 750 events from every genre of the performing arts. We welcome returning venues and performers; much loved by Brighton audiences and we are delighted to see many new acts.

We bring you affordable entertainment. Our average ticket price is under £10. There are many free shows and activities for families. There are around 130 'Pay What you Want' (PWYW) events. Look out for PWYW in the listings.

In March we paid farewell to Managing Director Amy Keogh. Amy led the team through our difficult financial years after COVID. We wish her well in her new role and thank her for all she has done.

Please welcome Jonathan Maydew, our new Executive Director. As co-CEO of New Diorama Theatre in London, he brings extensive arts' leadership experience and commitment to access and inclusion for artists and audiences. He has vision, passion and experience to develop our sector-leading fringe.

All charities see reduced sponsorship. Grant funding is poor. We bring much business to our city but neither national nor local government gives us financial help. Your donations fell sharply too. We need your help. Please donate online or at the box office and help us to deliver Brighton Fringe every year.

STREAMLINE TAXIS

90 Years, Countless Stories, One Exciting City

Brighton is a city that refuses to sit still and for 90 years, Brighton & Hove Streamline Taxis have been right here in the middle of the action. This year, as we celebrate our 90th anniversary, we're proud to be sponsoring the Brighton Fringe brochure and the glorious creative zeitgeist that makes this city what it is.

Our story began in 1936; Brighton taxi drivers decided to form their own company. Hove followed, and in 2009 the two co-operatives merged to form the largest taxi company in the city.

Today, we're still driver-owned, run by people who know every hill, alleyway, late-night kebab shop and secret venue in the city!

Our drivers may come from all over the world, but Brighton is their home. To get behind the wheel on our fleet, they must first pass the city's famously tough licensing, knowledge and safeguarding tests. So, whether you're chasing a last-minute show, heading home at sunrise, or hauling props, costumes and half your cast to a venue, you're in safe hands with Streamline.

Inclusion is more than a buzzword for us. We created our own training course to ensure respectful, safe transport for passengers with disabilities, both visible and non-visible. We offer wheelchair-accessible vehicles, roomy multi-seaters and easy-access saloons for everyday journeys.

Book via our app or call our friendly local operators: pay by cash, card, or open an account, you choose.

Wherever possible, Streamline works with local suppliers, because Brighton & Hove works best when we work together.

Fringe is about everyone getting a chance to be seen, heard, and celebrated. Why not begin with a taxi ride? Whether you're an artist, an audience member, or just here for the buzz - jump in.

Your journey starts with us! Head to streamlinetaxis.org or call 01273 202020 to get on your way.
